### **Johnson Custom Refrigerated Bodies For Frozen Food Home Delivery**

Johnson is an industry leader in the custom design of Premier fiberglass refrigerated bodies for home delivery of frozen product. This includes Frozen Food, Pizza and Specialties and Ice Cream. Also includes design of custom single and multi-temperature retail sales vehicles that meet specific customer home delivery requirements for dairy products, and groceries. Examples include Schwan's fleet of specially designed, multiple compartment, retail delivery vehicles, Oberweis Dairy home delivery trucks, and Albertsons home delivery grocery vehicles. All designs feature Johnson's Premier body design with the ArticTherm<sup>™</sup> interior fiberglass liner. Features/benefits include:

- Separate, dual temperature systems. Frozen is rechargeable cold plate for -20°F. Fresh is Thermo-King mechanical blower for 35°F.
- Innovative, custom body designs to meet specific home delivery requirements
- Ability to handle 100 to 200 daily stops for condensed or spread-out routes
- Easy, safe driver exit/entry, maximum visibility, comfortable seating
- Special compartment dividers, bins and shelving systems for delivery flexibility
- Hinged and removable shelving accessories
- Easy cleaning/sanitation
- Stainless or powder coated hardware
- Optional single point driver remote locking systems for retail home delivery vehicles. Locks all compartment doors from the inside at the touch of a button.
- Driver safety: Easy access, less lifting. 3-point contact with grab handles and steps.

- Safety accessories: Back-up, parking cameras. Safety alarms and sensors.  
LED light packages.
