Johnson Refrigerated Truck Bodies Announces new Position to Focus on Leasing

RICE LAKE, WI, – Johnson Refrigerated Truck Bodies, (www.johnsontruckbodies.com) which manufactures a full line of fiberglass composite truck bodies and all-electric refrigeration solutions, announces the appointment of Dolores Cote as Leasing Manager/Regional Sales Manager (RSM) in the Northeast.

As Johnson Refrigerated Truck Bodies increases its focus on the leasing industry, Cote will be an integral part of product development as well as a liaison to service the growing needs of the leasing industry. Cote's focus will be on identifying needs at a corporate-level, while the RSMs will continue to be the main sales contacts in their respective territories.

"Customers continue to demand quality and thermal efficiency in their fleets. Dolores' experience and business acumen will help our leasing partners design and develop long lasting truck body and refrigeration solutions using Johnson's unique design to meet these demands," said Eduardo Navarro, Director of Business Development.
