Johnson to Provide Refrigerated Truck Bodies for Navistar Defense Contract

First Shipment of Delivery Order Approved by Defense Contract Management Agency (DCMA)

RICE LAKE, WI (February 4, 2009) –

Johnson Refrigerated Truck Bodies received Defense Contract Management Agency (DCMA) approval on first shipment of 37 fiberglass refrigerated truck bodies. The entire order for 195 fiberglass refrigerated truck bodies was awarded by Navistar Defense.

The award increases the company's sales of military fiberglass refrigerated truck bodies which will be mounted on Navistar Defense, Medium Tactical Vehicles.

"Johnson's track record for providing quality truck bodies, our ability to meet Navistar Defense' specifications and our long-standing relationship with Navistar made us the vendor of choice for this contract," said Mayo Rude, director of sales and marketing at Johnson.

Deliveries began in December, 2008 and will be completed in May, 2009. All of the truck bodies are 15' insulated fiberglass refrigerated truck bodies within Johnson's Premier Truck Body line.

About Johnson Refrigerated Truck Bodies

Johnson Truck Bodies is recognized as the industry leader in refrigerated transport. With headquarters in Rice Lake, Wisconsin, Johnson is the innovator and manufacturer of molded fiberglass refrigerated truck bodies and specialized trailers that range from 8 to 36 feet in length. Johnson has a reputation of quality, durability, and innovative all-electric refrigeration solutions that are designed for many years of maintenance-free delivery. In business since 1932, Johnson Refrigerated Truck Bodies is a CARLISLE Company. For more information please call 800-922-8360 or visit www.johnsontruckbodies.com.
